

Morlino F. Morris
Author of
"A Prescription For Financial Health"
and
Co-Founder and CEO of
The Credit Alternative Group

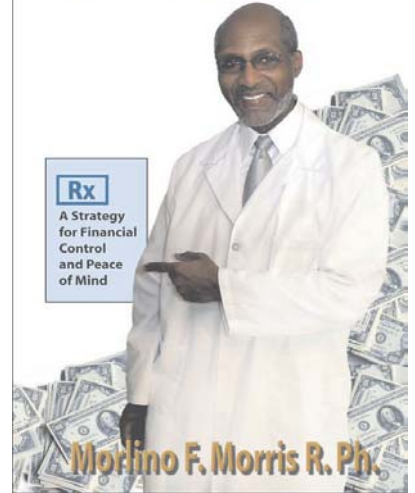

"Where does all my money go?" If you're one of the millions who asks yourself that question every payday, you're not alone.

in 35th Anniversary issue of Essence Magazine

A Prescription For Financial Health

Rx
A Strategy for Financial Control and Peace of Mind

Morlino F. Morris R. Ph.D.

From developing a healthier attitude towards credit to making your lifelong dreams a reality, A Prescription For Financial Health can help free you from the debt that can complicate both your financial and physical health.

This book is a fine tool for the consumer in need of good basic financial information. It is the equivalent of preventative medicine that will save the average consumer from needing emergency room treatment.

John M. Traier - Former Acting Commissioner and Director of the New Jersey Division of Banking

This is a sound guide for health, wealth and happiness—just what the doctor ordered.

Roger L. Witherspoon, Ed.D., VP for Student Development John Jay College of Criminal Justice New York, New York

This is a straightforward, simple guide for the novice to gain financial freedom.

Marlene J. Pagley-Waldock
Host of NJ Business on News 12 New Jersey
