

Business Owner's Version
The Complete Credit Management Toolkit 3.0©

The Credit Toolkit is Easy to Use:
Max the Credit Toolkit Guide Will Show You the Way!

It's Low Cost, Convenient & Saves Time: No Need to Search the Internet for Credit Solutions - Over 90 Tools & Documents on One CD-ROM!

Features: Automated Business Tools; Business Documents; Business Software Downloads; Directory of Resources - A comprehensive business and consumer tool; Credit Education Tools; Credit Sample Letters; Debt Management Tools and Much More!

Additionally, our "Credit Toolkit" link will keep you current about important happenings in the world of credit. Plus, we will continue to provide you with new and updated documents and tools.

This Version Provides Support for the Business Owner - Don't know which tool to use to resolve a credit issue? Just Ask The Credit Consultant. Additionally, for one year, you can get telephone toll-free access to our Credit Expert to discuss your specific credit situation and get advice! Plus, if there is no sample credit letter for a specific situation, for one year, you will have the option of receiving a total of up to 5 additional credit letters.

The business tools included on the CD, makes it very convenient for the average busy small business owner just to click to the document of their choice. It's That Simple!

"Great Product! Very comprehensive - I learned some things about credit that I thought I knew. The tutorial guide is very helpful." **J. MacBeth**
